ATLAS for ALUM - log in

Eden Theological Seminary recognizes the importance of continued education once formal seminary studies have been completed. Toward this end, we are pleased to offer the ATLAS for ALUM program, which gives Eden Seminary alumni/ae access to the ATLASerials database. ATLASerials is an online, full-text collection of more than 140 major religion and theology journals, including Harvard Theological Review, Interpretation, Church History, Journal of Pastoral Care and Counseling, etc. For questions about using ATLAS for ALUM or if you are an Eden alum and do not have a username and password, please e-mail Michael Boddy, Librarian, at mboddy@eden.edu

Library Cards/Borrowing Privileges

Upon graduation, Eden alumni/ae may apply for borrowing privileges from the Webster-Eden Library System. Alumni will be issued a black and white “Webster-Eden Library System” card. Alumni/ae have lifelong borrowing privileges within the Webster-Eden Library System, but they have to be renewed yearly. Alumni may borrow up to 40 books from the Webster-Eden Library System for a checkout period of two weeks, with up to three renewals, also of two weeks. Unfortunately, privileges do not include A/V checkout, Inter-Library Loan or Mobius privileges. Books must be checked out in person.
