

March 23, 2020

Dear Eden Community –

So many changes have had to take place quickly this past week in attempts to contain the Coronavirus Outbreak. We join others around the world and in our close midst. Through all of this now and into the future, Eden Seminary is focused on our mission, “to strengthen the life of the church by educating women and men for ministry, enlivening critical reflection on faith, and supporting bold Christian discipleship.”

We are creating opportunities for increased engagement of broader Eden audiences, while strengthening the continuity of current classes, community and chapel experiences. This continuity, however, requires a different method of gathering than in person.

With this letter, we are announcing that the Spring Semester 2020 at Eden Seminary will conclude remotely. There will be no further face to face classes this term. So, settle into robust learning through Zoom and other online interactions. At present, Summer term classes will be offered remotely. More information on exciting summer offerings will come in the next two weeks. And, finally, with sadness, the Graduation ceremony, scheduled for May 15, 2020 will not take place. The faculty and staff are working on alternative ways to celebrate the tremendous accomplishments of the class of 2020.

It is our continued prayer that you and your family remain healthy and safe.

In Peace,  
David Greenhaw, President
