

Stay up to date with the exciting things happening at Eden!

Eden Theological Seminary's hyflex courses, chapel services and events are having a powerful and positive effect on our learning and teaching. The seminary's contextual education, Progressive Christian Leadership (PCL), and Clinical Pastoral Education (CPE) are also offered in hyflex mode. We are witnessing how these alternate and additional methods of teaching and learning bring continuity to our programmatic development, and have allowed the seminary to navigate our changing environment quickly, but with care. Whether you consider taking a course yourself, know someone exploring a call to ministry, are looking for spiritual growth opportunities or a space for co-learning and mutual support, we hope you will check out all Eden has to offer.
