

Stay up to date with what's happening at Eden!

What a wonderful Spring Convocation! Last week friends of Eden joined for worship, lectures and celebration here on campus and via Zoom. Eden faculty and staff assembled an outstanding program of speakers and workshops. Dr. Allen O. Miller and Dottie Miller were celebrated this year as was their life ministry with this year's theme, "Pluralism: A Vision for Decolonizing Christianity." We were thrilled to see so many gathering with us on campus and also at the virtual presence of so many Eden community members. We are also excited to be planning the seminary's 172nd commencement ceremony, taking place in the Wehrli Chapel for the first time in many years. Read on to find your opportunity to engage with the Eden community!
