

Hello Eden New Student Cohort for 2022!

It has been an amazing journey with you from your moments of discovering what Eden has to offer you to the decision you have made to allow Eden to enter your vocational discernment. I am very thankful for your patience and beautiful testimonies, which are always extremely memorable and special.

Eden looks forward to meeting you at the New Student Orientation scheduled for Friday, Aug. 5! The morning opens with a continental breakfast at 8:45 a.m. and then moves into the classroom at 9:00 a.m. The attached agenda is also linked on the New Student page at www.eden.edu/new-student

You may have heard how Eden is a Hyflex campus meaning that students may attend blended courses in person or online. Our classrooms and Chapel are set up to host this hybrid way of life for class and events. As such, the New Student Orientation is offered as a blended experience with students online and in person.
