

Stay up to date with what's happening at Eden!

The Eden community is active and impacting the church and world in so many ways. Faculty are teaching and writing, serving on boards, and resourcing local congregations and groups of churches all over the country. As we speak, faculty are active in circles of the United Church of Christ, African Methodist Episcopal, Presbyterian, Episcopal, Lutheran, United Methodist Church and more. Also watch for Eden faculty and staff at several UCC Annual Conference meetings this fall: Heartland Conference, Florida, Tri-Conference (IA-NE-SD), Kansas-Oklahoma, Missouri Mid-South, Illinois South. Classes are in full swing for degree-seeking students and for participants in certificate courses and events. The Master of Community Leadership degree is enrolling students. This is a 15-month degree. New students can still enroll this fall for new classes that begin in October. LIFE events and the Walker Leadership Institute's Langenberg Forums have an amazing line-up of instructors and speakers. We want to call your special attention to the "Story Matters" event on October 1st led by nationally known storyteller, Valerie Tutson and songwriter, Richard Bruxvoort Colligan. A group will gather on campus and online. And, for your worship life, try out some new formats with us through Tuesday evening dinner church and Wednesday midday "Midstream Manna." Both are accessible in real-time or recorded on the Eden Chapel Facebook page. Find all the details below!

You are invited to "Coffee with the President" on Thursday, October 6th, at 9:00 am CT. Grab your coffee and join the Eden community for this informative and informal conversation! [Click here for details.](#)
